

## Program

To access the abstracts, use the hand tool of your Acrobat Reader to click on the name of any session.

After the full program listing for that session appears, click on the title of a presentation to view the abstract for that presentation.

### Monday, September 21, 2015

- |           |                                    |  |
|-----------|------------------------------------|--|
| 8:45 a.m. | Pathology and Anatomy Lecture Hall | <a href="#">Opening Ceremony</a>                                   |
| 9:00 a.m. | Pathology and Anatomy Lecture Hall | <a href="#">Shock Waves and their Micro- and Mesoscale Effects</a> |
| 1:45 p.m. | Pathology and Anatomy Lecture Hall | <a href="#">The Fate of Projectiles</a>                            |
| 3:15 p.m. | Pathology and Anatomy Lecture Hall | <a href="#">Suevites, Glasses and Melt Rocks</a>                   |

### Tuesday, September 22, 2015

- |            |                                    |  |
|------------|------------------------------------|--|
| 8:30 a.m.  | Pathology and Anatomy Lecture Hall | <a href="#">Scientific Writing and Publishing — A Perspective from Nature Geoscience</a> |
| 9:00 a.m.  | Pathology and Anatomy Lecture Hall | <a href="#">Crater Excavation and Ejection Processes</a>                                 |
| 11:15 a.m. | Pathology and Anatomy Lecture Hall | <a href="#">Simple Craters</a>   |
| 1:45 p.m.  | Pathology and Anatomy Lecture Hall | <a href="#">Target Properties</a>  |
| 6:00 p.m.  | Geology Department                 | Poster Session   |
|            |                                    | <a href="#">Impactite Formation, Shock and Melting in the Target and Projectile</a>      |
|            |                                    | <a href="#">Crater Excavation and Modification Processes</a>                             |
|            |                                    | <a href="#">Geophysics and other Methods on Craters Small and Large</a>                  |
|            |                                    | <a href="#">Planetary Perspectives and Remote Sensing</a>                                |

### Wednesday, September 23, 2015

- |            |                                    |   |
|------------|------------------------------------|---|
| 9:00 a.m.  | Geology Department                 | <a href="#">Virtual Field Trip of Numerical Models</a>      |
| 11:00 a.m. | Pathology and Anatomy Lecture Hall | <a href="#">Complex Craters</a>                             |
| 1:45 p.m.  | Pathology and Anatomy Lecture Hall | <a href="#">Peak-Ring and Multiring Craters</a>             |
| 3:45 p.m.  | Pathology and Anatomy Lecture Hall | <a href="#">The Impact Record and Planetary Perspective</a> |
| 6:00 p.m.  | Pathology and Anatomy Lecture Hall | <a href="#">Final Discussion</a>                            |
